

DELAWARE SOLID WASTE AUTHORITY

JOB DESCRIPTION

April 29, 2009

TITLE: ACCOUNTING TECHNICIAN II
REPORTS TO: CONTROLLER/SENIOR ACCOUNTANT
JOB CLASS: NON-EXEMPT
LOCATION: ACCOUNTING OFFICE

PURPOSE:

This is a position that performs various accounting functions in accordance with Generally Accepted Accounting Principles, DSWA Policy, and contractual obligations. Work typically includes various combinations of business transactions such as, but not limited to classifying, computing, verifying, recording/posting, reconciling, simple audit/examination, summarizing numerical data, and compiling reports. Assignments are accomplished through manual and electronic applications. Regular contacts include intra/inter department, local/state/federal agencies, and private sector organizations/individual citizens.

This level represents full performance technical support of fiscal/financial/auditing functions. Work encompasses the full range of activities as described in Job Duties.

JOB DUTIES:

Essential functions are fundamental, core functions common to all positions in the class series and are not intended to be an exhaustive list of all job duties for any one position in the class. Since class specifications are descriptive and not restrictive, incumbents can complete job duties of similar kind not specifically listed here.

- * Compute fiscal/financial transactions.
- * Analyze and reconcile transactions and accounts.
- * Classify and code fiscal/financial transactions.
- * Review to ensure compliance with required documentation, computations, codes, signatures, and rules/regulations.
- * Record fiscal/financial transactions to various financial information systems.
- * Interact with public/private sector to provide/obtain information.
- * Compile information and develop reports for use by others.
- * Monitor balances and report discrepancies.
- * Participate in recommending systems and forms enhancements.

Performs other duties as assigned.

QUALIFICATIONS:

Applicants must have education, training and/or experience demonstrating competence in each of the following areas:

Eight (8) years' experience in accounting support, four (4) of which shall have been at the full performance level, including performing financial transactions such as classifying, computing, verifying, recording/posting, reconciling, audit/examination, summarizing financial data, and compiling reports.

Or

An associate's degree in accounting or business administration from an accredited college or university with at least six (6) years' experience in accounting support, three (3) of which shall have been at the full performance level, including performing financial transactions such as classifying, computing, verifying, recording/posting, reconciling, audit/examination, summarizing financial data, and compiling reports.

Experience in the analysis and reconciliation of basic accounts and statements

Experience in accounting support, which includes performing financial transactions such as classifying, computing, verifying, recording/posting, reconciling, audit/examination, summarizing financial data, and compiling reports.

Experience in office operations which includes operating office machines, handling incoming and outgoing mail, postal and shipping services, answering phones, directing calls and taking messages; file maintenance; maintaining and updating supplies.

Experience in record keeping, which includes: maintaining records, logs, and filing systems.

Experience in using an automated information system to enter, update, modify, delete, retrieve/inquire and report on data.

May be asked to sign a statement of confidentiality.
